

We are Hiring

Position: Assistant Manager - HSE
Location: New Delhi, Saket
Experience: Around 7-8 years

Interested in a new challenge in a fast-growing and ambitious organization, amongst the leading renewable developers in India? Want to be part of an exciting journey towards the development and implementation of innovative and sustainable energy solutions?

Eden Renewables India is currently offering a unique position as **Assistant Manager – HSE** where you will be playing a fundamental role within a team of highly-skilled and experienced professionals. With an embedded culture of diversity and team spirit, Eden Renewables India is striving to get the most-suited working environment for each individual to grow and achieve their full potential within the organization.

About us:

Incorporated in 2016 as a Joint-Venture between **Total Eren** and **EDF Renewables**, Eden Renewables India has been developing, engineering, financing, constructing, and operating over 2 GW of solar PV assets in India.
